

INVENTORY CLEARANCE OFFER

You earn more.
Your reps earn more.

To help you clear out existing inventory, Hyundai Material Handling is introducing special offers to help your dealership — and your sales staff — earn more. Here's how it works:

RECEIVE A \$2,500 REBATE ON SELECT MODELS SOLD OUT OF INVENTORY BY SEPTEMBER 30, 2024

This offer is good on models sold out of your inventory, Hyundai material Handling's available stock, or rental fleet conversions. The following models qualify for the \$2,500 rebate:

- › 15/18/20BT-9U
- › 25/30LC-7A
- › 25/30LC-9
- › 25/30L-7A
- › 25/30L-9A

SALES REPS WILL RECEIVE A \$500 SPIFF FOR EACH UNIT SOLD

While we think our forklifts should sell themselves, we know the value of a motivated sales rep. So, as an incentive, and thank you, we're offering a \$500 spiff to the qualifying sales rep for each unit sold during Q3.

TO QUALIFY:

Our goal is to continue to build market share, so for every two units you sell, you are required to place one new stock order of any Class 1, 4 or 5 forklift.
